

Wajeeha Baig

FRONTEND DEVELOPER

Work Experience

Frontend Development

A passionate and creative junior frontend developer with a strong foundation in HTML, CSS, and JavaScript, Nextjs & Reactjs. Eager to contribute to dynamic web development projects while continuously enhancing skills and staying updated with the latest trends and technologies.

Graphic Designing

With a robust two-year journey in Graphic Designing, I've passionately crafted an array of eye-catching creations, including posters, thumbnails, banners, and logos. My dedication has been recognized with a Graphic Designing certificate, solidifying my expertise in this dynamic field. I'm ready to take on your creative challenges and bring your vision to life.

Video Editor

I possess three years of video editing expertise, having produced a diverse range of content, from vlogs and travel videos to music clips and channel promos. My proficiency is anchored in a deep understanding of visual storytelling, and I'm ready to enhance your video projects with professional finesse and creativity.

Motion Graphics

In Motion Graphics I made lots of animation like logo animation video animation video intro outro I will Make your company best Video And Websites So these Are my Best Experience That I will Share With you
